

HEALTH AND KINESIOLOGY CREDIT

Students who have served on active duty in the military service of the United States for the period of at least six (6) months, and who have been discharged or released honorably, will receive four (4) hours of credit for HKN when an official DD-214 is on file with ACC. The four hours will not be computed in their GPA.

Students must complete at least one course in residence at ACC before credit will be recorded on the official transcript.
