

2009-2010 Verification Worksheet Dependent

Your application was selected for review in a process called "Verification." In this process, ACC will be comparing information from your application with signed copies of your and your parent(s)' 2008 Federal tax forms, or with W-2 forms or other financial documents. Federal law states we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or ACC may need to make corrections to your Student Aid Report (SAR).

In order to avoid delaying your financial aid determination, this completed verification form along with the other required documents should be submitted to the financial aid office as soon as possible.

What You Should Do

3. Fill in and sign this worksheet – you and at least one parent. Please do not leave anything blank.
